Dear

I am writing to keep you informed of our support for Year 11 students who are considering joining us in Sixth Form.

We will be concentrating our support into the first half of the year to make sure that the students' attention can be fully on their studies as the exams approach. Our intended actions are:

- A Sixth Form prospectus with application will be ready for next term and will be given to students in form time
- Sixth Form Course Information Evening will be on **9 November 2017 6:00pm – 7:30pm** with student and teacher representatives from all relevant subject areas
- Applications will need to be submitted with initial subject choices by 20 December
- There will be a lesson taster day in January for applicants to try Sixth Form study
- All applicants will then be interviewed in the spring term to discuss final course choices and current academic progress

If you have any specific questions about Sixth Form study, the best way to contact us is via email: Mr Robertson, Head of Sixth Form on: drobertson@kingswoodsecondaryacademy.org or Ms Alexander, Pastoral and Administrative Lead on: kalexander@kingwoodsecondaryacademy.org

We fully believe that students who achieve the entry requirements should study with us and we are committed to supporting them to do so. We hope you and «Forename» will be able to attend the information evening on **Thursday 9 November** and I look forward to seeing you there.

Yours sincerely

Mr D Robertson
Head of Sixth Form
