

# KINGSWOOD SECONDARY ACADEMY

Dear Parents and Carers,

Attached are timetables for Live lessons that will take place for Year 7 and Year 8 from Friday 10<sup>th</sup> December 2021 until Friday 17<sup>th</sup> December 2021.

The timetable provides lessons for Core Subjects only (English, Maths and Science).

All other work will be set on ClassCharts. If you or your child are unsure how to logon to ClassCharts then please contact your child's Head of Year or Deputy Head of Year. (Please see useful contact email addresses below).

The classes are being taught in half year groups (X Band and Y Band) so may not be taught by your child's normal subject teacher.

The lessons are taught via Teams which your child can access via their airhead account (gat.airhead.io). Your child will need their full school email and password to access this. Again, if your child can not remember these details then please email your child's Head of Year or Deputy Had of Year.

Your child will receive an invite to the relevant lesson via Teams. The lessons should appear in your child's Teams calendar. They will need to click on the join button when it is time for the lesson.

Friday 17<sup>th</sup> December would have been a half day for your child prior to the Christmas break. On this day your child's form tutor will arrange a tutor catchup during form time (8.40-9.10)
