

09 November 2018

Dear Parent/Carer

RE: Senior Maths Challenge

I am pleased to inform you that your son/daughter has been selected to join a team of students from the Academy to take part in the Senior Team Mathematics Regional Final. This event will take place at Arthur Mellow College in Peterborough on Thursday 15 November. I will supervise the trip and remain at the venue for the event. Unfortunately, they cannot accommodate spectators.

We will travel in the Academy minibus leaving the Academy at 1:30pm and return to the Academy at approximately **7:00pm**. Please make arrangements to ensure a safe return home for your son/daughter at this time. Refreshments of sandwiches and soft drinks will be available so please indicate clearly on the standard consent form any dietary restrictions. Students can bring an additional snack and drink if they want to.

We will of course want to celebrate our students' achievements and have photographs taken for our website and newsletter and for use by the event organisers. Participating students are of an age that they can give their consent to be included in these photographs but If you have any queries please do not hesitate to contact me at the Academy or email me on gdekock@kingswoodsecondaryacademy.org

To give permission for your son/daughter to participate in this event please complete and return the attached consent form to me no later than 12 November.

Thank you for your support.

Yours faithfully

Mr G De Kock
Mathematics Department
