

KINGSWOOD SECONDARY ACADEMY

ADMISSIONS POLICY

2026/27

This policy was reviewed and approved by the Greenwood Academies
Trust Board on 7 February 2025.

PROCEDURE FOR ADMITTING PUPILS TO THE KINGSWOOD SECONDARY ACADEMY

The Kingswood Secondary Academy provides for the needs of children within the 11 to 19 age range who live in Kingswood and the surrounding area.

Pupils will be admitted at the age of 11+ without reference to ability or aptitude using the criteria set out in this policy. Admission to our Academy is not dependent on any 'voluntary' contribution.

The Greenwood Academies Trust is the Admissions Authority for the Kingswood Secondary Academy.

The Academy participates in the Local Authority co-ordinated scheme and timelines. All deadlines within that should be adhered to by applicants.

Admission numbers for secondary provision (age 11)

1. The Academy has the following agreed admission numbers for the Academy:
 - 216 for pupils in Year 7
2. The Academy will accordingly admit a maximum of 216 pupils in the relevant age group each year if sufficient applications are received.

Admission number for Sixth Form provision (age 16)

3. The Kingswood Secondary Academy has an agreed admission number of 200 eligible pupils including those eligible pupils already in the Academy wishing to stay on in the Sixth Form.

Process of Application

4. Arrangements for applications for places at the Academy will be made in accordance with the North Northamptonshire LA's co-ordinated admission arrangements; parents resident in Northamptonshire can apply online at:

www.northnorthants.gov.uk/secondary-school-places

Parents resident in other areas must apply through their home Local Authority.

5. The Academy will use the LA's timetable for applications to the Academy each year (exact dates within the months may vary from year to year):
 - a) In September – the Academy will publish in its prospectus information about the arrangements for admission for the following September.
 - b) September/October – the Kingswood Secondary Academy will provide details for Open Evenings and other opportunities for parents to visit the Academy.
 - c) By 31 October – Parents must complete the common application form (CAF) and return it to the LA to administer.
 - d) 1 March (or the next working day) – notification of places made to parents.

Consideration of applications

6. The Kingswood Secondary Academy will consider all applications for places at the Academy. Where fewer than the published admission number(s) for the relevant year groups are received, the Academy will offer places to all those who have applied.

Procedures where the Academy is oversubscribed

7. Where the number of applications for admission is greater than the published admission number in any age group, applications will be considered against the criteria set out below.

Admission to Year 7

8. The Kingswood Secondary Academy will first accept all pupils with a statutory right to a place through an Education Health and Care Plan naming the Academy. After the admission of these pupils, criteria will be applied for the remaining places in the order in which they are set out below:
 - a) Looked after children and previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted*.
 - b) Children who live in Cottingham, Middleton, Rockingham and East Carlton – for whom the local education authority provides transport to the Kingswood Secondary Academy.
 - c) Children who will have an older sibling* continuing at the Kingswood Secondary Academy at the time of admission of the younger child.
 - d) Children of members of staff, provided that they have been employed for a minimum of two years and/or are recruited to fill a vacant post for which there is a demonstrable skills shortage.
 - e) Children who live closer to the Kingswood Secondary Academy than any other school*.
 - f) Other children.

In the event of over-subscription using the above criteria, priority will be given to children on the basis of proximity to the Academy, as measured in a straight line from the child's home to the main entrance of the Academy.

* *see definitions*

Admission of children outside their normal age group

9. Parents may request admission for their child outside their normal age group. In general, it is considered that children should be educated in their normal age group, with the curriculum differentiated as appropriate and they should only be educated out of their normal age group in very limited circumstances.

The decision to allow a child to repeat a year or to admit a child into a cohort outside their chronological year group lies with the Academy based on the circumstances of the case and in the best interests of the child concerned, taking into account the views of the parent, the Principal and any supporting evidence provided by the parent.

10. Any parent of wanting their child to be admitted outside of the normal age group for Year 7 should contact the Academy in the first instance and make an application to their Local Authority for their child's normal age group at the usual time but also submit a request for admission outside of the normal age group at the same time.

Any parent wanting their child to be admitted out of the normal age group in any other year should submit a request, in writing, to the Academy as soon as is possible.

Admission to Year 12 (Sixth Form) – oversubscription criteria

11. The Academy will first accept all pupils with a statutory right to a place at the Academy through an Education Health and Care Plan naming the Academy.
12. To be eligible to enter the Sixth Form both internal and external applicants will be expected to meet minimum academic entry criteria for the Sixth Form as a whole. When the Sixth Form is undersubscribed, all applicants meeting the minimum academic entry requirements will be admitted. They will also be expected to have met the published academic standard for their chosen subjects to be permitted to follow their preferred courses.

If not suitably qualified for their preferred courses pupils will be offered alternatives (if available).
13. The Academy will publish specific criteria in relation to minimum entrance requirements for the Sixth Form and for the range of courses available based upon GCSE grades or other measures of prior attainment. These criteria are the same for internal and external transfers and will be published in the Academy's prospectus, on the website and in the Composite Admissions booklet.
14. In the event of oversubscription for Sixth Form places available in addition to those allocated to existing students and after the admission of children detailed in paragraph 9, the following criteria will be used, in order:
 - a) Looked after children and previously looked after children including those who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted*.
 - b) Children who live in Cottingham, Middleton, Rockingham and East Carlton – for whom the local education authority provides transport to the Kingswood Secondary Academy
 - c) Other children.

* *see definitions*

In the event of over-subscription using the above criteria, priority will be given to children on the basis of proximity to the Academy, as measured in a straight line from the child's home to the main entrance of the Academy.

15. There will be a right of appeal to an independent appeals panel for internal pupils refused transfer and external applicants refused admission.

Operation of waiting lists

16. All parents/carers who are unsuccessful in gaining a place for their child may wish to place their child's name on the waiting list. To do so, parents/carers must contact the Schools Admissions Team at North Northamptonshire Council and request that their child's name is placed on the waiting list.

Each added child will require the list to be ranked again in line with the Academy's published oversubscription criteria. Priority will not be given to children on the basis that they have been on the waiting list the longest.
17. A child's name will remain on the waiting list until the end of the school term in which the application was made. If parents wish their child's name to remain on the list for the

remainder of the academic year, they must contact the School Admissions Team by 31 December and 31 March to renew their interest.

Please note – placing a child’s name on the waiting list does not affect parents’ rights to appeal.

Arrangements for in-year admissions

18. An in-year admission refers to an application for a school place made during the school year, or an application for admission to a school made at the start of the school year for any year group other than the normal year of entry.

North Northamptonshire local authority will co-ordinate in-year admissions and applications should be made online to their local authority [Admissions website](#)

Right of appeal

19. If a parent’s/carer’s application for a place at the Academy is unsuccessful, they have the right of appeal to an Independent Appeals Panel.
20. Parents/carers should submit their appeal, in writing and giving their reasons for appeal, via the online appeal form on the [NNC website](#). Please visit this Appeals website for more information about deadlines and to complete the form.

UK Armed Forces

21. Special conditions apply to applications from UK Armed Service Personnel and Crown Servants.

For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in the area, a place will be allocated in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Applications will not be refused solely because the family do not yet have an intended address, or do not yet live in the area.

The address at which the child will live will be used when applying the oversubscription criteria as long as evidence of an intended address is provided. A Unit or quartering area address will be used as the child’s home address where a parent requests this.

22. The Academy has discretion to admit above the admission number in these circumstances if they wish but are not obliged to do so. If a place is refused, you will be informed of your right of appeal.

Fair Access

23. The Kingswood Secondary Academy participates in the North Northamptonshire County Council Fair Access protocol. All schools, including Voluntary Aided Schools, Trust Schools and Academies must participate in the protocol.

The purpose of the Fair Access Protocol is to ensure that vulnerable children are offered a school place as quickly as possible and to evenly spread children with additional needs across all schools in the county. The protocol only applies to mid-term applications; it does not operate when children transfer from primary school to secondary school.

Fraudulent or Misleading Applications

24. As an Admission Authority, we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example a false address was given which denied a place to a child with a stronger claim. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

Definitions

1. Definition of 'Looked After' and previously 'Looked After' children

A 'looked after child' is a child who is:

- in the care of a local authority, or
- being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted under the Adoption Act 1976 (see Section 12 adoption orders) or the Adoption and Children Act 2002 (see Section 46 adoption orders), or became subject to a child arrangements order (as defined in Section 8 of the Children Act 1989 and as amended by Section 12 of the Children and Families Act 2014), or became subject to a special guardianship order (see Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)).

This includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2. Definition of siblings and the position of twins

A sibling is defined as:

- Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters or another child normally living for the majority of term time in the same household, where an adult in the household has parental responsibility as defined by the Children Act 1989, or any child in the household where an adult in the household is defined as a parent for the purposes of Section 576 of the Education Act 1996. This could include a person who is not a parent but who has responsibility for him/her.

In the case of twins or other siblings from a multiple birth, where there is only one place available in the Academy, these will be considered together as one application. The Academy's admission number may be exceeded.

In the case of siblings in the same year group, where there is only one place available in the Academy, both will be considered together as one application. The Academy may go above its admission number as necessary to admit all the children.

3. Definition of the straight line distance to an intending pupil's home

Distances are measured on a straight-line basis from the address point of the child's home to the address point of the Academy, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

4. Home address

The child's place of residence is taken to be the parental home, other than in the case of children fostered by a Local Authority, where either the parental address or the foster parent(s) address may be used. Where a child spends part of the week in different homes, their place of residence will be taken to be their parent or parents' address.

If a child's parents live at separate addresses, the address where the child permanently spends at least three 'school' nights (i.e. Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Evidence that a child's place of residence is permanent may also be sought.

If a child spends equal amounts of time at the two addresses, the parents must agree which address they wish to be the child's main address.

A fraudulent claim to an address may lead the Academy to withdraw an offer of a place.
