Dear Parents and Carers

It is a great privilege to be writing to you today as the new Principal at Kingswood. I am excited to get to work building on the strong foundations already laid on to the next stage in our flourishing journey. I have met with all of the year groups and staff last week and have outlined my intention to work closely on a number of core strategic developments, underpinned by a common approach to our core community values. My hope is that our shared values will drive the work we do in classrooms and beyond, in order to create a culture where everyone can 'be inspired'.

It has been a real pleasure meeting the students and I have been so pleased with the very warm welcome I received from staff and students alike, which is testament to the warm and close community that already exists here at Kingswood and of which I am so proud to be a part of now.

In my commitment to working with you as a community, I would like to encourage you to attend the next Parent Forum meeting on Monday 9 December at 5.30pm where I will introduce myself and share my forthcoming plans working with the staff and students. It will be an excellent opportunity for us to build a partnership and look at how we can all work together on the next stage of our Academy journey to excellence.

Thank you in advance for your unwavering support of the Academy and your commitment to support us in ensuring your child enjoys the very best education possible.

Yours faithfully

Mrs Michelle Newman
Principal
