Dear Parents / Carers,

As you may already have heard, there has been multiple confirmed case of COVID-19 within the Year 7 bubble. In line with national guidance and as advised by Public Health England today, we will be closing our Year 7 bubble for 14 days. Pupils of this bubble should return on Tuesday 8th December if they are not presenting any COVID-19 symptoms and no one from their immediate household has tested positive during this time.

Under Public Health England guidelines, the rest of the Academy will remain open. Siblings of children in the Year 7 bubble should still come to school unless they present COVID-19 symptoms or someone in their household receives a positive test.

This decision has not been taken lightly and is in the best interested of all students and staff. I can assure you that we have a robust day to day system of cleaning and hygiene within the Academy, in line with our published Revised Operating Procedures and Risk Assessments and our pupils are responding really well to these procedures.

Please can I remind you again not to send your child to school if they are displaying symptoms but let us know and arrange for them to be tested:

If you have any questions, please email the Academy on:

Thank you for your continued support.

Yours faithfully

Mrs M Newman
