

Dear Parents/Carers,

Unfortunately we have just had confirmation of a positive Covid case within our school kitchen staff and therefore we will be sending pupils home early as we are unable to provide food.

We will be providing pupils who are entitled to a free school meal with an alternative meal.

We will close with a staggered release of pupils:

2.05pm Year 11 and 6th form

2.10pm Year 10

2.15pm Year 9

2.20pm Year 8

If you are unable to collect your child early and want them to remain on site until 3.10pm please let us know immediately and they will be provided with food free of charge.

#There could be some congestion at our gates so unless genuinely unavoidable please pick your child up nearby.

Apologies for the short notice and urgency of this message, I am sure you will appreciate why we had to act swiftly.

We will open as normal on Monday.
