YEAR 10 January Vocational Exams

Dear Parents/Carers,

In light of the current lockdown restrictions, we have made changes to the exams planned for the week commencing 11th January. For Year 10 students studying a Cambridge National subject; Health and Social Care, Enterprise and Marketing and Creative IMedia the decision has been made to postpone these exams, a rescheduled date has not yet been finalised and we will update you as soon as a new date has been agreed.

Students have the opportunity to take this exam twice and in review of the long-term plan, we believe that delaying these exams will give the students the necessary preparation required to achieve their full potential.

We will continue to complete coursework remotely and it is extremely important students continue to log onto their online lessons and complete the coursework to the best of their ability, meeting the deadlines set.

If you have any further questions or want to discuss further, please email me directly, acopson@kingswoodsecondaryacademy.org.

Yours faithfully,

Alex Copson

Assistant Principal and Curriculum Lead for Vocational Subjects.
