

Our mission is to empower and support prospective students from underrepresented backgrounds to access university. We work in collaboration with Schools and Colleges on a diverse range of programmes and events, make contextual offers and offer scholarships and bursaries to eligible students. During these unprecedented times we have a wide range of opportunities available virtually to support students who cannot physically visit a university campus, or who may be interested in enriching their home learning experience.

Virtual resources

We have curated a library of virtual resources to offer extra support to you and your students. These include information and guidance sessions such as how

to choose your university, student finance, student life at the University of Bristol, understanding admissions criteria, personal statements and many more. They also include subject specific resources such as pre-recorded lectures and lesson plans which can be followed up by live seminars with our experts.

When your students sign up they will receive bespoke email updates based on their subject interest, including early invitations to events and talks.

Year 12 Summer Schools

Our summer schools are free residential experiences which offer places across different subject streams, designed to provide an insight into undergraduate courses at the University. Participants will be eligible for a guaranteed contextual offer (up to 2 grades below the typical offer) or interview should they then apply to University of Bristol. Applications are open now and close 2 March

Sutton Trust Summer School

2 - 6 August 2021. Sutton Trust Summer School offers students the opportunity to experience student life in one of the UK's most exciting cities.

Events and opportunities

In addition to summer schools, we have many other virtual events and opportunities running throughout the year. These range from drop in Q&A sessions to progressive programme series, supporting students at different points in the application cycle.

We also offer a variety of workshops and talks designed to ensure that year 12 and 13 students are able to make informed decisions about their future educational pathways. [Teachers and advisors can complete our online booking form to request a talk or workshop](#), which we can deliver in your school or college both virtually and in person
