Cabinet Office

Work at the centre of government

Are you interested in tackling some of the biggest challenges facing the country and making a real difference to people's lives? From developing policy, to modernising public services. Cabinet Office is a vibrant, modern and exciting place to work, attracting a diverse workforce. Their main offices are in London, but they have staff based around the UK.

The Cabinet Office coordinates the government's response to emergencies

The Cabinet Office currently employs 5,370 members of staff

The Cabinet Office's purpose is to maintain the integrity of the Union, coordinate the security of the realm and sustain a flourishing democracy; to support the design and implementation of HM Government's policies and the Prime Minister's priorities; and to ensure the delivery of the finest public services by attracting and developing the best public servants and improving the efficiency of government.
