Year 6 Transition Day

We would kindly ask that all of our Year 6, soon to be Year 7 students, arrive at Kingswood Secondary Academy on Transition Day from 8.45am. The students will be welcomed into the atrium, organised into their form groups and introduced to their form tutor, ready to start their day at 9am.

Please note that we have two transition days so please contact us at enquiries@kingswoodsecondaryacademy.org if you need further clarification on which day your child is due to attend.

We will spend transition day getting to know our new school and each other and there will be time to make new friends within the form sessions, also during break and lunch time.

Please may we ask that all students bring a packed lunch and water bottle / non fizzy drinks with them, enough to sustain them throughout the day. There are water fountains should they need to refill their carrier.

As I am sure you are all aware, a young child within our community has been recently diagnosed with Acute Myeloid Leukaemia and our whole community is coming together to help the family raise vital funds to help with her treatment. To tie in with the theme of 'wear a rainbow for Florence', we are asking if our Year 6 children could wear a colourful PE kit and trainers. Alongside the form sessions students will also take part in some 'getting to know you' and 'team building' games and exercises so will need their trainers.

Indeed, during the day we will be spending some time introducing our new students to our core RISE values, Respect, Independence, Service to the community and Empathy. In particular, for our latter two: Service to the community and Empathy, we at Kingswood Secondary Academy will be providing all of our year 6 into 7 students a rainbow coloured band to show support for Florence and her family. If you would like to donate, as little or as much as you would like towards Florence's battle against Leukaemia, there will be collection buckets circulated during the morning session, and we will also be having a cake sale which has been organised with our student council. Please note that there is absolutely no requirement for a donation, we would just like to raise awareness of the cause and of a family who are very close to us. #bemorefab

The students will be dismissed from the school site and conclude their day at 2.45pm, where they can walk home or be collected from outside of the school.
