

# CareerChoices: Live chat with a Paramedic - 18 July 2022, 2-3pm

A paramedic will often be one of the first to arrive when a patient needs help. It's a fast-paced and vital role where you'll need to quickly take charge of the situation to save lives.

Paramedics are trained to resuscitate and stabilise patients using sophisticated techniques, equipment and drugs. In an emergency, they use high-tech equipment such as defibrillators, spinal and traction splints, as well as administering oxygen and drugs they will work with many other emergency services teams.

## Paramedic will share with you:

- Career journey
- The best bits and challenging parts of the role
- The grades and experience needed
- Time for Q&A

Don't miss out, register here!

So, if you're a student, teacher or parent, or perhaps you're looking for a career change or development opportunity or are currently unemployed, this live chat will provide you with insightful information to take you to your next step.
