

Upcoming Events

Tuesdays and Wednesdays up to the end of the second term will be practice nights as no league fixtures are arranged.

Tuesdays after school will be all Year's Girls Basketball in the Sports Hall

Wednesdays after School, Hellenic Football Coach, Ollie Cheek will continue his coaching program and hopefully we will arrange some friendly home games.

Term 1 News

Football

Due to the popularity of girls football at Kingswood the first fixture of the season had to include a league and a friendly match. CBA were the team to beat from last season, however they did not have the talent from Alex O'Neill, small in stature but capable of great things. Alex opened the season with a 1-0 victory and their counterparts (playing 6 v 8) also claimed victory, beating the larger side 2-0, Alana Chalmers scoring both goals!

The next match in the league was 'a belter,' winning 7-1 against Oundle and Kingscliffe Middle School, again Alex O'Neill, Alana Chalmers and Katie Pridmore being the stars of the show.

The last game in the league again was a roaring success with a 10-0 win against King John. This saw the team winning their league and putting them in a strong position going into the District play-offs, which are to be hosted at Kingswood.

Good luck girls!

Yr 10 Netball News

The successful team of last year returned to have another epic season. The fixtures were slightly different this year, as all teams converged in one central venue to play each other. Our girls had a tough round facing Bishop Stopford and Southfield in one night. Unfortunately this wasn't Kingswood's night, as both games were lost to very successful and talented teams.

The Year 10 girls unfortunately suffered the same fate as the Year 7 and 8s with teams pulling out, so their matches were few and far between.

Well done to the following; Megan Addy, Shannon Sludden, Eden McGhee, Emily Russell, Sian Bugby, Abbie Smyth and Kelsey Marshall.

Here's to the basketball and football fixtures!

YR 9&10 Leagues

Basketball
