Sixth Form Term 1

## Message from the Principal: -

I hope that you have had a lovely summer and that your child has been able to rest and relax and was, of course, excited for the start of our new school year. As part of our school routine it was a pleasure to personally welcome back all of our students during our 'Refresh, Refocus, Restart' assemblies. During the assemblies we reflected on the wonderful achievements from the last academic year and reminded ourselves of the high expectations we have for all of our staff and students. I am pleased to report that students have returned ready to learn and have settled quickly back.

I am also delighted to inform you that whilst it seems the rest of the nation were experiencing a drop in top GCSE results, we celebrated excellent results over the last three weeks with our students achieving and exceeding more target grades than ever before. Kingswood is now securely above national average for the third year running which is a brilliant achievement by our students and the wonderful Kingswood staff. We have more students than ever before achieving grades 4 and above, and grades 5 and above in both English and Maths. At Kingswood, this means that our students have more 'doors open' and in essence more choice over their futures. Perhaps unsurprisingly, this has led to a significant number of applications for Sixth Form places, and we are delighted to welcome back many of our Year 11 students as they begin the next stage of their journey with us. This is a good news story, and it should give all students the encouragement and aspiration to know that with great attendance, enthusiasm, and hard work, they can achieve the highest grades and access the very best opportunities in the future.

It is an exciting time to be the Principal at Kingswood and during my assemblies I shared pictures of the building work that we invested in over the summer months. We have revamped the Science corridor, completely renovated the toilets on the English corridor and are still finalising the improvements in the PE faculty. These areas are barely recognisable and are part of an ongoing plan to continue to maintain and improve the learning facilities at Kingswood. I know the students are most grateful and will look after our improved academy.

This term, we continue to focus on our school values: Respect, Independence, Service to our community and Empathy. We are always proud of our students who demonstrate our values within the academy as well as supporting our local community. We have many plans to celebrate our student successes with plenty of exciting opportunities and I look forward to sharing more information with you next term.

**M Gamble**

## Message from Mr Eley (Head of Sixth form): -

To all our Year 13 students: welcome back! To our Year 12 students we are pleased and proud that you have chosen to be a part of our Sixth form community. As always, we have high expectations of you: we look for commitment to and responsibility for your own learning and we will encourage these through good quality teaching, advice and support. We will help you to learn to manage your time efficiently and to develop independent learning skills to pursue your studies and to lead a happy, healthy and full life in and out of school. Our expectation is that you will set yourself the highest of standards and will not settle for second best.

The school enjoys an excellent reputation for being a place of genuine opportunity and advancement. This summer, through hard work and determination, many students achieved strong results and will now progress onto their chosen next steps in higher education, jobs or apprenticeships. We are excited to see what they will do next and wish them the very best of luck for the future.

This year is full of opportunities to learn, grow, and make new memories. If you have any questions or need any support please ask.

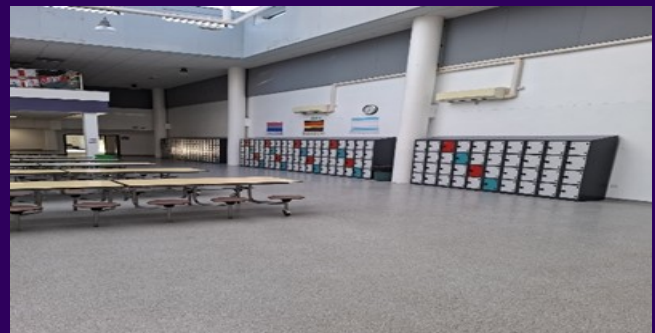

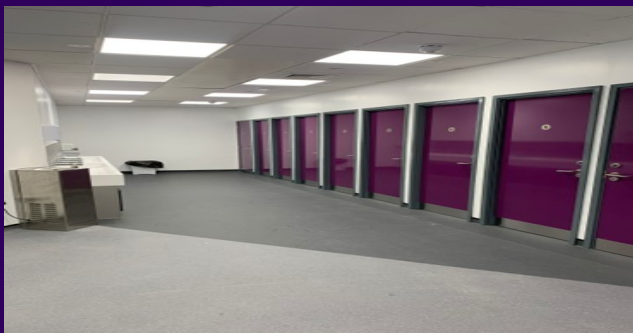

# Sixth Form Term 1

## An update on our building work:

Here are some images of the building work that we invested in over the summer months. You can see the revamped Science corridor, our newly decorated RISE store, the completely renovated toilets, our new school lockers and the ongoing improvements in the PE faculty. We know our students will look after our improved academy.

# Kingswood Secondary Academy

## Year 12 Curriculum:

### The curriculum and independent learning at Kingswood Secondary Academy

Independent learning (home learning) is an integral part of the learning process at Kingswood Secondary Academy. It builds resilience by allowing our students to take ownership of their learning linked to the learning in lessons as well as forming good study habits. There are many different tasks that teachers may set students to complete independently such as completing research, undertaking a project, revising for a topic, completing an assessment, reviewing and / or improving a task and completing some online activities.

Please read the curriculum timetable which highlights the learning expectations for each subject this term. We hope you find this information useful and take time to discuss the subject topics and learning opportunities with your child.

Term 1: Year 12 subjects	Curriculum, independent learning topics and assessment focus	Useful website links / additional information
Art BTEC Level 3 Extended Certificate In Art and Design	Skills Building: developing skills with a wide range of tools, materials, equipment, artists, concepts and outcomes. Practicing and exploring to increase your visual language.	Pinterest
Biology (OCR H420)	Cell structure Biological molecules Enzymes Cell division	<a href="https://web.uplearn.co.uk/learn/biology-ocr-1">https://web.uplearn.co.uk/learn/biology-ocr-1</a> <a href="#">SnapRevise: The Ultimate A-level &amp; GCSE Resource</a> <a href="https://www.bbc.co.uk/bitesize/subjects/zync87h">https://www.bbc.co.uk/bitesize/subjects/zync87h</a> <a href="https://www.physicsandmathstutor.com/biology-revision/a-level-ocr-a/">https://www.physicsandmathstutor.com/biology-revision/a-level-ocr-a/</a>

## Sixth Form recognition

Mr Eley had the pleasure to interview our Year 13 students for SSLT this year. They really are an excellent group of students and we are excited to see how they will contribute to the academy moving forwards. Please find below the students and their responsibilities:

Head Boy: Josh Walkden

Head Girl: Stevie Allen

Deputy Head Boy: David Kantyka

Deputy Head Girl: Rishika Bjaj

Wellbeing Lead: Jemma Birds

Finance Officer: Ethan Wright

Mentoring Leads: Sarah Lasekan and Macy Webber

Event Leads: Buhuni Arachige and Jack Druce

Community Lead: Deividas Gedvilas

Careers and Alumni Officer: Emma Best

Head of Student Engagement: Tarik El-Sayed

## The British Computer Society Coding Competition at Cranfield University

In July our now Year 8 students visited Cranfield University. They enjoyed the day and were the only school allowed to see the control room due to their role model behaviour.

## Our GCSE Results

The Academy is pleased to announce a year of brilliant results for pupils. The whole Academy community is incredibly proud of its pupils, and many are now looking forward to progressing onto their A-Levels at the Academy.

While all pupils have done well, there have been some impressive individual performances. These include:

Josh Parkin, who achieved 9s in Maths, Science and History, 8 in English, Distinction\* in Business and Distinction in Information Technology.

Jessica Routledge, who achieved 9s in Science, English, Maths & History and Distinction in Performing Arts.

James McSherry, who achieved 9s in English and history, 8 in Maths, 7 in French and Distinction\* in Business.

Iara Silva who, achieve a 9 in Science, 3 8s in English, Maths and Geography and Distinction\* in Business.

Ewa Ogedengbe, who achieved 9s in Biology, Chemistry, Physics and Maths, 8s in English and Geography and Merit in Information Technology.

Dana Serakova, who achieved 8s in Maths, English, Science and History as well as 2 Merits in Information Technology and Performing Arts.

**Mr Gamble, Principal at Kingswood Secondary Academy, said:**

*"Congratulations to our Year 11 students on their outstanding GCSE results. Their hard work, dedication, and resilience have truly paid off. Not only have they achieved academic success but also demonstrated remarkable character and perseverance. We are incredibly proud of our students and wish them every success as they move forward onto their next steps, either here in our Sixth Form or to college."*

## Our A-Level Results

The Academy is pleased to announce a year of excellent results for pupils. Their determination and hard work has meant many have achieved strong results and will now progress onto their chosen next steps in higher education, jobs or apprenticeships.

There have also been some impressive individual performances. These include:

Eamonn Oliff, who achieved 2A\*s Geography and Maths and a Distinction\* in Business. Eamonn has secured his first-place choice to study Economics at the University of Nottingham.

Brendan Bremner, who achieved 2As in Geography and Maths and a B in Physics. Brendan has secured his first-place choice to study Economics at the University of York.

Kayleigh Gilmour, who achieved an A in Maths and 2Bs in Biology and Chemistry. Kayleigh has secured her first-placed choice to study Bio-Medical Science at the University of Sheffield.

Anya Thompson, who has achieved 3As in Biology, Chemistry and Physical Education. Anya has secured her first-placed choice to study Veterinary Medicine at the Royal Veterinary College, London.

David Saranut, who achieved an A\* in Sociology and 2Bs in English Literature and Psychology. David secured his first-placed choice to study Law at the University of Nottingham.

**Mathew Gamble, Principal at Kingswood Secondary Academy said:**

*"Here at Kingswood Secondary Academy we are so proud of our pupils for what they have achieved. These superb outcomes represent an exceptional accomplishment and is a real testament to their hard work, dedication and support network around them. We are very excited to see what they will do next and wish them luck for their future endeavours."*

# Kingswood Secondary Academy

Communication

Sixth Form

The Kingswood Secondary Academy is part of the Greenwood Academies Trust (GAT). Please use the link below to see our full list of current vacancies for both Kingswood Secondary Academy and other Academies within GAT: <https://www.kingswoodsecondaryacademy.org/page/?>

Please access the Academy website to find information about aspiration and careers and how to best support your child, including job of the week:

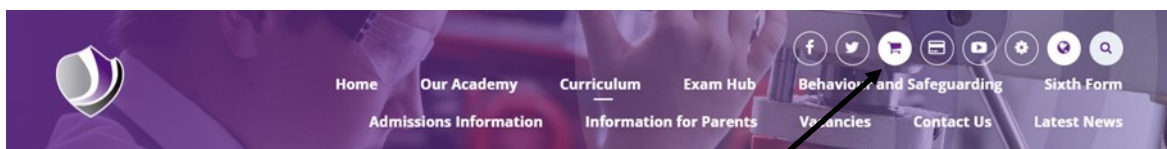

<https://www.kingswoodsecondaryacademy.org/page/?title=Job+of+the+Week&pid=615>

## ClassCharts

Please access ClassCharts <https://www.classcharts.com/account/login> for all homework, RISE points and behaviour information. You will need a code in order to log on. Please contact your child's tutor who will provide this for you.

## How to access ParentPay

ParentPay is a convenient facility that enables parents and carers to pay, in a cashless way, for various items. You can access ParentPay by visiting <https://www.kingswoodsecondaryacademy.org/> and then by clicking on the shopping trolley icon. Here are just a few of the things that can be paid for via the ParentPay Shop:

- Equipment Packs
- Art supplies
- Revision guides & books
- Uniform
- Exam Re-takes.

In the payment screen it is essential that we are able to identify your child and his/her Tutor group. Once we have received payment notification, we will process your order and your son/daughter will be advised when they can collect their items from Reception. Items will not be posted home.

# Kingswood Secondary Academy

Communication

Sixth Form

## **Parking and access to Kingswood Secondary Academy:**

Wherever possible we encourage our students to walk or cycle to the Academy for the obvious health and environmental benefits this brings.

If you do bring your child by car, please can you note the following:

### **Dropping off your child in the morning:**

It would be most helpful if you could drop off your child off a few hundred metres from school and they walk the short distance in.

If you do wish to use our roundabout then we do allow this in the mornings. This works because parents drop off their children over a 30-45 minute period, so congestion does not tend to be a significant issue.

### **Collecting your child at the end of the day:**

Due to the inevitable departure of students in a relatively short period of time at the end of a school day, it does not work for us to allow parents onto site to collect their child. This is because of the very significant congestion caused which leads to vehicles backing up out of our entrance, in turn then blocking Gainsborough Road in both directions.

**In summary: please do not drive onto our school site to collect your child at the end of the day.**

**Exception:** If your child has a disability then please speak with their Head of Year or Miss Skorwider in our Special Educational Needs Department who will make appropriate arrangements.

Sadly, we quite often get complaints from local residents e.g. on Tower Hill Road and Oak Wood Drive. With this in mind, we'd be very grateful if you note the following:

Please park considerately and consider parking further away and allowing your child to walk for a couple of minutes to get to you, so you can park in a less congested location.

Please avoid blocking residents' drives and do not use residents' drives to turn around in or stop in. Please avoid parking on yellow lines.

Thank you for your understanding.

## **Contact details**

If you have recently moved to a new address and/or have updated your contact details, for example you have a new telephone number or email address, please can you contact your child's form tutor, Deputy Head of Year or Head of Year with the new details so we can update our records. Thank you.
